Ordering and invoicing instructions

In order to ensure a correct and timely processing, Supplier shall adhere to the ordering and invoicing instructions set forth below, applicable to NN Insurance Belgium and NN Insurance Services Belgium (both entities hereafter being referred to as “NN”).

Invoices and credit notes submitted by Supplier which do not comply to NN’s requirements may be rejected and returned to Supplier, asking for a corrected invoice¹. This also implies that the payment of the invoice may be delayed and no late payment interests or fees will be accepted.

1. ORDERING

- 1.1. All Products and/or Services and/or Deliverables requested by NN shall be supported by a corresponding Purchase Order (“PO”) issued by NN.
- 1.2. If Supplier has not received a Purchase Order for requested Products and/or Services and/or Deliverables, Supplier shall contact the requesting person at NN and ask him / her to provide the PO number.

2. INVOICING

- 2.1. Invoices and credit notes shall ONLY be sent as a PDF-file via e-mail to invoices@nn.be
 - No duplicate paper copy shall be sent afterwards.
- 2.2. Supplier shall ensure that all invoices and credit notes sent to NN meet the legal requirements.
- 2.3. Additionally, the invoice shall clearly state following information:

- 2.6. Supplier shall include only one invoice or credit note per PDF-file and per e-mail.

¹ As the initial invoice will not have been processed by NN, Supplier shall send the corrected invoice with the initial invoice number. Supplier shall not send a credit note for the initial invoice, followed by a new invoice.

 - If applicable, after prior written approval of NN, these costs shall be invoiced separately. The aforementioned prior approval of NN must be confirmed by an additional PO.
